RE: SC-642 (Dorchester Road) – Parking Restriction

Dear Ms. Cohen:

Thank you for your letter requesting the Department to review the need for No Parking signs on eastbound Dorchester Road near the Kings Grant subdivision.

Our field review noted evidence of vehicles parking on the shoulder and causing damage to the right-of-way. Based on this evidence and the pictures you included with your request, the Department will install No Parking signs restricting parking in this area. A work order for the installation of the signs will be sent to our Dorchester Maintenance office to install as soon as their work load permits.

Thank you for bringing this issue to our attention. Should you have any questions pertaining to this matter, please feel free to contact our Traffic Engineering office at 843-740-1665.

Sincerely,

Robert T. Clark
District Engineering Administrator
